In light of recent events at another school, we have completed a review of our security filtering systems to keep our students safe online. This review has confirmed that we have strict filtering for students searching online which adhere to the Catholic Education Melbourne guidelines.

These restrictions include the use of Google Safe Search and the blocking of any social media sites.

Students are always using devices under the supervision of staff members and are expected to adhere to the User Agreement that they signed earlier this year.

If you have any concerns about your child’s safety online, please do not hesitate to contact their teacher to arrange a time to discuss this.

REGULAR BABYSITTING AVAILABLE

Hello my name is Georgia Osinga, and I am seeking a regular babysitting job. I am 18 years old and currently studying at RMIT doing Graphic design. I completed my secondary education at Star of the Sea in Brighton. I am the middle child of three girls, my hobbies include reading, cooking, and dancing.

I have been babysitting for 5 years, children ranging from the ages of one to teenagers. Roles I have fulfilled are cooking dinner; helping with simple housework, homework, and entertaining the children. I am able to work either day or night depending on my Uni schedule. I have a car, which makes it easy for me to travel, and transport children to after school activities.

While looking after children I have worked with a range of ages, both genders, and am able to mind up to seven children at a time due to experience. I enjoy minding children; it is very rewarding and I love to form a relationship with the children that I look after.

For over four years I have babysat a family with three children regularly. I would pick Edward and Darcy (the two youngest children) from school and walk them home, every Monday and the occasional Wednesday. I would help them with their homework, entertain them, and start the preparations for dinner. If you would like to contact their mother Peta Lyons, her contact number is 0439 433 344.

If you are interested contact me on 0488 710 860, and hopefully we can find a day that suits.
