Dear Families,

Over the last two nights we have been overwhelmed by the talent of our St James community. Our musical, Seussical has been held at the Faybyrne Centre to packed audiences each night. It has been a show-case of our talented students. Forget the height, the age and each of us could easily have been at the Arts Centre watching a professional performance by adults except, ours was much better than that! Performing Arts is a critical part of the curriculum at St James with approximately one-third of our students learning an instrument. The students were nervous but performed with courage and expertise. Do not ever allow age to be a barrier for success. It was wonderful to see so many students have the opportunity to shine. Credit also must go to a range of staff who have surfaced the potential in our students, especially Kate Kennedy (Director) and her assistant, Cathy Ferrari. Their dedication saw the gradual evolving of not only a musical, but a story of growth in each person involved in Seussical. Our parents contributed generously to the stunning costumes and props. It was an experience that will never be forgotten…

Communication

Our new website can now be accessed with the same domain name and you can view articles from the newsletter on the ‘news feed’ in a mobile-friendly format. Over time, a photo gallery will be added together with other more interactive news. Electronic Reports will be accessible this Tuesday and parents will receive an email with instructions and log-in codes. Please note that Italian will not be reported upon in Semester Two. School will finish this Wednesday December 16th at 1:30pm and OSH Club will be open for bookings from 1:30-6pm. Parents are welcome to attend our last gathering for 2015 in the undercover area from approximately 1:10-1:30pm. The 2016 school year for students will begin on Thursday January 28th for students from Years 1-6 and Friday January 29th for Prep. Remember that sports uniform is to be worn on Tuesday and Fridays.

School Education Board

I would like to thank the members of the Board who have worked tirelessly in the best interests of our school over the past three years. They have provided knowledge and expertise in a confidential and trustworthy manner. I feel very privileged to have worked with such a warm and intelligent group of people: Jo Small, John Marks, Maria Hede, Mel Williams, Jan Ross, Sam Meagher, Cathy Ferrari & Liam Buckley. Donna Anderson will be joining the School Education Board in 2016; she has worked in Catholic primary schools for over 15 years as a classroom teacher and

in a variety of leadership roles and at the Catholic Education Office for 6 years leading research and teacher professional development. She is currently working at the Australian Catholic University. Her expertise is in the areas of literacy and contemporary learning with a particular interest in the development of thinking skills and inquiry learning. Donna is mother of Georgia in Year One.

Christmas

In our society today, the real meaning of Christmas is often forgotten. For some it has become a non-religious holiday. Christmas Day is often a time for families to spend time together without any focus on its true meaning.

The real Christmas story is found in the Christian Bible in the Gospels of Matthew and Luke. Christmas is when we celebrate the birth of Jesus. Shepherds, wise men, and angels all shared in the excitement of knowing about this great event. They knew this was no ordinary baby. The prophets had told of His coming hundreds of years before. The star stopped over Bethlehem to mark the way for those who were looking for this special child.

Christmas can also be a time of sadness, especially for those unable to purchase presents for their children, family and friends. At our Advent liturgy, baskets of presents were handed over to St Vincent de Paul to distribute to local families that will help Christmas to be a more joyous occasion for them. The generosity of our parish school community never ceases to astound me and I know that we have all made a significant contribution to many people less fortunate than ourselves.

We are grateful for the time given to prepare the hampers by Mrs Ferrari, students and staff. John Taylor is a wonderful leader of ‘St Vinnies’ and we thank him for his volunteer work and looking after those who are in need. Social Justice is embedded in the St James culture and I congratulate the students for their continued efforts to help others less fortunate than themselves.

Shared Stories launch 2015

This year, St James made a major contribution to the prestigious Shared Stories anthology, with 62 students being published. The initial planning came in Term Two when groups from St James (Years 4 to 6) worked with Star of the Sea students to develop ideas for writing based on the theme, ‘Remembering’.

On 27 November, the launch of Shared Stories was attended by 850 people at Star of the Sea, with prominent academics such as Dr Josh Funder and Dr Matthew Ryan exploring the importance of memory and the power of literature to preserve our stories. Dr Funder recounted the experiences of his great-grandfather at Gallipoli and described how the men constructed a pier while under Turkish attack to evacuate Australian soldiers from the battle zone. The Ability Press writing award for St James was won by Sarah Forsyth (Year 6) for her excellent piece entitled, ‘Right Now’. The diverse range of writing and artwork serves as a testimony to the ways in which St James teachers engage and inspire their students.

This year’s edition was the largest yet at 572 pages and has now been submitted to the State Library as part of its permanent collection. We look forward to another 10, 20, 30 years of Shared Stories. For now, all of the published authors and artists from St James can feel proud that they have made a major contribution to a book that serves as a fine record of the thoughts and aspirations of young people in 2015.

I thank Peter for his dedication to student art work and writing and for generously coordinating such a worthwhile and rewarding initiative.

Tennis Courts

“There has been much discussion in recent weeks and months regarding the future of the St James Tennis Club and the usage of the courts.

After a meeting with the Archdiocese recently which involved all interested parties including the Parish and the School, it has been decided that the courts will remain and that the Club can now plan confidently its continued growth. It is wonderful to see two new teams commencing from the school which will continue the development of the club in 2016 and beyond.

We are all committed to ensuring the Club integrates as successfully as possible with both the Parish and the School and we thank all involved for their preparedness to assisting in making this work. Shane Healy (Melbourne Archdiocese).

Maureen Tilley

Maureen Tilley was previously the Principal at St James School from 1994-2010 and she oversaw tremendous growth amongst the students. Maureen worked tirelessly in her role and was instrumental in creating a ‘sense of community’ at St James that has continued on strongly till today. Last week we officially opened the Maureen Tilley Wing with a number of past and present staff/parents. Maureen officially opened the building following a blessing from Fr Michel. I was personally thrilled to have seen this initiative come to fruition and I thank Fr Michel for his support for the naming.

Farewell

I thank the St James School community for the wonderful farewell I received at last week’s assembly. I was thrilled that the celebrations were child-centred and it was wonderful to see so many happy faces. I thank Jane Gale for her amazing role as President of the Parents Association over the last two years. She has given generously of her time, been a key developer of our ‘sense of community’ and made a wonderful impact. Jane will be replaced by Annie O’Donoghue in 2016 and I know that she will carry on the tradition. Sharyn Cunningham has held the role of PA Treasurer over the last two years and diligently accounted for all of the many funds raised by our
parents. I thank Sharyn for her hard work and she will be replaced by Sam Rist in 2016. Thankyou to Liam Buckley (Deputy) who has been a loyal, creative and dedicated staff member; Cathy Ferrari (Acting Deputy & REL) for being a champion of the St James culture and a passionate leader; to all staff for their professional and caring attitude towards teaching the students. Lastly, I wish to thank our students for your inquiring minds and caring hearts, it has been my privilege to have been a part of the St James community over the last five years and I will miss you all.

St James House Swimming Carnival

As Mr Millar wrote in the last newsletter, the swimming carnival was a great success. The children participated with enthusiasm and displayed great sportsmanship. Many thanks to the huge number of parents who helped on the day. It certainly made my job easier and the children loved seeing their parents helping out.

Thanks to our school leaders from 2015 and the new team of leaders for 2016 who worked tirelessly with the juniors. They encouraged and helped the swimmers and parents and greatly contributed to the smooth running of the events either in or out of the water.

Finally, thanks to the teachers who supported, encouraged and smiled their way through the day.

Overall there was a feeling of fun during the day and as I looked around the pool I saw many smiles and faces filled with excitement and pride. This makes all the hard work worthwhile.

Soccer Star

Congratulations to Grace T who recently participated in the 12 years and under Victorian Soccer team, which competed at the National Championships in Adelaide. The Vic team was undefeated throughout the hard week of games against other states and territories and were overall winners. A fantastic result, well done Grace and good luck with your future soccer career.

Tennis Star

Congratulations to Sofia N (Year 4) aged 10 won her finals in division 5 under 17. She plays for Dendy park.

PREP / YEAR 2
CITY EXCURSION

This excursion was the best. I’ll tell you all about it.

We went to the city and saw the Myer Windows and posted our letters to Santa. We were going to see Santa but the line was too long, so we went off to the laneways to see the Street Art. It was amazing! After that we went to Federation Square and saw the biggest Lego Tree in the world! We had a wander around and walked off to the park to have our lunch (yummy) and had a play. The Art Gallery was next. We had classes in there and learnt about how to make a picture into a story. When we were there, I saw this massive sculpture made out of bicycles. It was amazing!

My favourite part was…well I can’t really choose because it was all great!

This excursion was the best!!!!!!

Mae L - Year 2
One of our Social Justice initiatives this term, was for all students to bring in a gold coin donation to put towards purchasing phone cards for refugee families to call home.

These are just two recipients of the phone cards. There were many more as well. Mohammed and Wazeera will be able to phone their eight year old daughter who is still in Sri Lanka. Nour will call his wife and mother and his brothers and sisters in Sudan.

“...The St Vincent de Paul Society, Gardenvale Conference is indebted to the generosity and compassion shown by the pupils of St James to our appeal for assistance of food and gifts at Christmas time. We have identified some sixty five households within our parish who need assistance this Christmas and because of the generous response from the students we are now able to bring much joy and happiness to each of those families.”

A huge thankyou to the entire school community for contributing to the hampers. We are giving 13 families Christmas. Friday afternoon upstairs in the Open Learning area was a hive of activity. Thankyou to the following people: Jo Fraser, Susannah Bailey, Bernie Whiffen, Elly Dillon, Anna Coelli, Natalie Dodds, Jo Small, Jane Gale, Marina Sujcanov, Liz Mee, Georgia Sagiadellis, Bernie Dodd, Mim Farrar, Elisa Sagiadellis, Sarah Mee Kost, Belle Mc, Isla and Eve G, Millie S, Eliza D and Julia F. If I have missed anyone, please forgive me and let me know. Nina finished these hampers off on Monday and they looked superb.

Congratulations to the Di Pietro Family on the safe arrival of Mila. Born 5.26pm on 23rd of November. Mavi & Talia are delighted with their new bundle of joy as are Hayley & Andrew. St James wishes their beautiful family every happiness.

Congratulations to Georgie M (Year 5), who was the winner of the final Speaking With Power Presentation. Well done Georgie!

YEAR 4 GIRLS FUNDRAISE FOR BALI ORPHANAGE

The Year 4 girls collectively raised $349.50 for the Jody O’Shea orphanage in Bali, which is a fantastic effort. If anyone is ever travelling to Bali they can visit the orphanage by making an appointment. [www.careforkidsbali.com](http://www.careforkidsbali.com)

The orphanage was set up in memory of Jody who died in the Bali bombings and her friend and family set up this amazing place to house and look after up to 100 kids.

YEAR 2 GIRLS FUNDRAISE FOR SYRIAN REFUGEES

Congratulations to our Year 2 Girls who held a stall at school selling cookies and jelly cups, with the aim of raising money for Syrian Refugees.

Total money raised was $307.85

World Vision advised at this time of year it’s winter in Jordan, Lebanon so this money will go towards the children in the refugee camps to provide them with winter clothing, blankets and nappies. Donations have slowed right down and if at all possible, people can donate money via their website using PayPal.

Living, Loving & Learning
Hopefully .. We will be announcing a new president and executive crew. My reign as St. James PA President has come to an end. With that in mind... I feel very happy to have ended my time with the success of the Kids’ Party for Mr Millar last week... And also, enjoying the fun and friendly Parents Bowling Party run by Kate Kennedy and Mel Williams, (thanks girls and any other helpers on the night).

St. James is a family-oriented community and we love to see our kids learning and enjoying their time at school. The party was as much for Mr Millar... Who by the way, loves rabbits and guinea pigs, as it was for the children. A time to celebrate the year that has just flown by. Also... A way to thank all the families for the fundraising efforts in 2015. Bernie Dodd did an amazing job in coordinating this fun party... And thanks to Amanda and Sam Mack for wo/manning the BBQ.

I often get congratulated for a great event or activity... And as much as I’d like to take all the credit... These things are only possible when everyone pitches in. What is even more fantastic is that with each new event or gathering... New faces emerge. People with a vitality and energy and ideas, are what keep the PA and wider community going. So thank you to everyone who has contributed in 2015.

Speaking of individuals pitching in... The energetic, experienced and "can do " woman that is Annie O’Donoghue... Will be at the helm of the 2016 Parents Association (rapturous applause)!!

We will also have Sam Rist as the new Treasurer and many other volunteers for various positions and Class Reps. The new list and PA calendar will be out early in Term 1 next year. So much gratitude to those who are ready to take on the challenge.

Personally.. I’d like to thank all those parents who have attended meetings, helped with events, ran food days, washed up, made pancakes, dug holes, poured drinks, tied balloons and had a laugh... Especially when things don’t go to plan. ... E.g... 50 wet adults standing under one tent at the Disco... Or a calming word when the animal farm truck is an hour late stuck in Westgate Bridge traffic!!!

Thank you to Jane Kanizay who will be continuing on as Secretary (and Fran P for filling in) for her support and friendship... And tasty nibble platters! Thank you to Sharyn Cunningham who got the finances ship shape and helped us get the best %interest for our accounts, balanced the books and tried to teach me save/ spend behaviour... What!

Signing off, Happy Holidays & Fun Family times....and Kids, try to sleep in... Please!!

THANK YOU

Program Update – Week 9!  Week beginning 7/12/15

Hi everyone,

I can’t believe the year is almost through. I have enjoyed being a part of this wonderful school over the last month or so and have loved getting to know each and every one of you. I feel I have begun building bonds with the children and getting to know their likes and dislikes. The children have made the most of this wonderful weather we have been having and have requested outdoor activities rather than staying inside. This has included playing on the outdoor equipment, riding their bikes in tandem and various ball games. Inside, the children have loved decorating the room, particularly with Christmas decorations!

Just a Few Reminders:

- The last day of OSHClub at St James will be Wednesday 16th December and will run from 1.30pm -6.00pm. Should you require care on Thursday 17th December and Friday 18th December, please book your child into the Brighton Holiday program. The Elsternwick Holiday Program commences on Monday 21st December.
- All bookings for Wednesday 16th December must be finalised by Monday 14th December.
- Children are now required to wear hats and sunscreen. Please ensure your child brings their hat, not only to school but to OSHClub as well! Some are forgetting them upstairs and teachers have asked that the children don’t go up there once the end of day bell has gone.
- For any bookings please log in to your account online at www.oshclub.com.au. Any issues with your online account please contact the St James account manager, Ambika, directly. You can email her at ambika@oshclub.com.au or phone her on 03 8564 9027.
- For any on the day bookings please call the program phone on 0412 570 934 and leave a message. Alternatively you can text the same number.

Please see next week’s planner below. The theme is Christmas! Have a very Merry Christmas and a safe and happy new year! Come by and say hello for a chat whenever you like! See you soon,

Jacquie
