Dear Families,

It has been a fluctuating term at St James with a number of successful events and learning experiences combined with the loss of one of our parents, Jan Ross. The major fundraiser was hugely successful with the Casino Royale theme, a hit with our parents who love to dress up! Financially it was one of our most successful ever with approximately $28,000 being raised. We have had some fabulous student-teachers and a recent highlight was a succession of Science activities participated in by Years 5/6 and prepared by Miss Counihan & Miss Beaver. Our Preps completed another engaging assembly and made outstanding progress with their learning. Did you know that over 80% of students at St James reach the Year Two reading benchmark (compared to 40% at other Catholic schools) in Year One. Father's Day Breakfast was again successful, even without the mums having access to electricity; Thursday's Experts was largely attended with Damian Hardwick's candid responses being a highlight; Year 5/6 student cluster days were full of clever and creative activities; Mr B formally moved to a new school and Mr Buckley became our new Deputy Principal (with Mrs Ferrari Acting Deputy for 2015). Compassionate and generous support has again been supplied for our families in need….and much more.

Term Three has been successful but we are all in need of a rest, although teachers will continue to prepare for Term Four with enthusiasm and with great anticipation for the much- awaited musical: Seussical!!

Parent Consultation
We would appreciate and value your feedback regarding St James’ current Homework Policy and our recent Student Learning Conferences. At the end of the term we have included a question relating to our building program and what you value. The survey should take no longer than 5-10 minutes to complete. We appreciate and welcome your feedback. Please complete this survey for one child in your family. If you like to complete the survey more than once for other children in your family, please feel free to do so. Thankyou to everyone who has already completed the survey. Please use the below link to access the survey.
http://goo.gl/forms/Si4FfgYjWy

Thank you for your time. Elly Dillon (Parent Partnerships Leader)

Staff/Parent Safety and Wellbeing
The school places a high value and priority on maintaining a safe and respectful working environment for our staff/parents. Families have access to our Parents, Visitors & Volunteers Policy on Carenmonkey and have agreed to follow it in the best interests of all. There will be some new additions to the policy next term pertaining to the wellbeing of staff and their interactions with parents which will be in accordance with ‘Safe and Sound Practice Guidelines’ (Catholic Education Commission Victoria, 2014). It is often not possible for teachers to respond immediately to phone calls or emails, particularly out of hours. It is often not possible for teachers to respond immediately to phone calls or emails. Please remember that email is an effective communication tool when used for positive communication. I thank the vast majority of parents at St James who use email correctly but if used inappropriately, it will be forwarded to the school leadership to be addressed.

St James Has Got Talent
Today many of our students show-cased their enormous talent with acts ranging from singing, dancing and acting. It was again of a high standard and largely attended by parents. I congratulate the Performing Arts Captains for their superb organisation and co-ordination. Performing Arts is highly valued at St James with many participating in the Choir with Kate Kennedy; a vibrant program taught by Mr Pearl and over 80 students learning the guitar or piano at St James. Preparations for our musical are progressing well and I can’t wait to see the type of performances that our talented students will be able to display.

ICT
Last week approximately twenty parents attended our Information & Computer Technology briefing, co-ordinated by Mr Johnson. Mr Johnson informed parents that we will be purchasing another 90 Chromebooks enabling each student from Years 3-6 to have their own device, with many of our laptops and iPads being utilised by Prep-Year 2. Technology is used as a tool for greater learning and I saw an example when in Year 3D recently: the students used Classroom (a management tool on Google) to access a pre-test in Mathematics and the teacher, Miss Dillon was able to utilise an ‘add-on’ called Flubaroo to automatically send back feedback.
to all students in the class on each of their answers; the potential for increased learning is enormous. Please refer to Mr Johnson’s report for more information.

Have a safe and wonderful holiday break and I look forward to seeing back for a busy and exciting Term Four.

Peace and blessings,
Simon Millar
Principal of St James

---

One Night for Jan

“A very special event to assist Bridesy and Angus on their childhood journey”

Thursday 15th October - 7pm to 11.30pm

$60 per head (includes hot canapés and drinks at bar prices)

Memo Music Hall, St.Kilda Army Navy Club
90 Acland St (Entry via Albert St/ sale street)

Live entertainment - MC Rick Hodge

The Velvet Corporation, Wilbur Wilde and much more

Main Auction, Silent Auction, Raffle & Lucky Door prizes on the night

Tickets on sale Monday 14th September Trybooking [http://www.trybooking.com/159244](http://www.trybooking.com/159244)

Limited tickets to book early/This link will also accept donations

Thank you for your support and we look forward to joining you for a truly wonderful evening. We ask that you extend this invitation to your family and friends

Penny Burke – 0419 620 755
Anna Toman – 0421 914 466
Technology at St James

Thank you to those parents who were able to attend our Technology Information Session last Wednesday 9th September. It was fantastic to be able to share our vision for technology at St James for 2016 and beyond. The feedback that we received from the parents in attendance was invaluable and will be taken into consideration as we move forward.

For those parents who were unable to attend the afternoon, some of the key points addressed are outlined below:

- The role that technology plays in assisting authentic learning opportunities for our students
- How technology use aligns with our school’s vision statement and design principles
- The change in access to technology for our students in the last five years
- The reason why teachers and leaders at St James feel that Chromebooks are currently the best device to suit the learning needs of our students in Years 3-6
- What is Google Apps for Education (GAFE)?

As well as addressing these key points, the session also outlined our plan for change for technology in 2016 and beyond. This includes but is not limited to:

- Introduction of approximately 90 extra Chromebooks into Years 3-6
- Giving more access to iPads and current laptops to Years Prep-2
- Continuing our Tech Club for Years 4-6

There was a lot of positive feedback from the parents who were in attendance during the session. Much of this was based around greater access to contemporary learning tools that will assist in authentic learning opportunities, and developing real life skills such as collaboration, communication and cyber safety.

As expected, there were some concerns raised around the balance of learning with technology and traditional learning styles. As explained on the night, the teachers at St James are regularly planning purposeful learning tasks for our students, who are organically supported by technology. We are opposed to the idea of planning activities just for the sake of using technology. There will still always be a focus on developing skills that don’t rely on technology such as interpersonal skills and fine motor skills such as handwriting.

Finally, the last of the concerns were related to a lack of understanding of what Google Apps for Education is and the privacy around the use of it by our students. Our school has a stringent CEO compliant Privacy Policy; Internet User Agreement; experienced computer technical support to monitor student safety online and a Cybersafety student program.

I will be adding some articles to future newsletters, explaining the purpose and uses of Google Apps for Education to parents. In the meantime, if you would like to find out more about Google Apps for Education, go to the links below or scan the code using your phone’s QR Code scanner.

http://www.icon.cecv.catholic.edu.au/privacy

Thank you again to those parents who attended our Technology Session and gave us such constructive feedback about our plans for technology in the future of St James.

Kind Regards,
Lucas Johnson
eLearning Leader
Sarah Counihan and Lily Beaver have completed an exceptional pre-service teaching round with Years 5 and 6 and their students showed their gratitude by preparing a wonderful breakfast/morning tea for them. Sarah led a Year 5 & 6 Science Expo centred around chemical science and the children were engaged in lots of hands on investigations & experiments. We thank them for their hard work & enthusiasm.
YEAR 3 SCIENCEWORKS EXCURSION

On Friday 4th September Year 3 went to Scienceworks as part of our Chemical Science and Earth and Space Science Connected Learning topics. We would like to say a huge thank you to the wonderful parents who volunteered to assist on the day and those who came along. It was a day full of learning, fun and excitement for all.

At Scienceworks we attended two fabulous Science Sessions. The first was called Cool Stuff as part of our Chemical Science unit. We watched some ‘very cool’ liquid nitrogen demonstrations that showed the properties of solids, liquids and gases. It was very exciting! We saw how a BANANA can be used as a hammer after it has been dipped into the liquid nitrogen. The second session further explored and enriched our understanding of how the Earth’s rotation on its axis affects the day and night cycle and why we have seasons on Earth.
THURSDAY LUNCHTIME TECH CLUB

Living, Loving & Learning
We have a Dads riding group that is always looking for new members. We ride on a Monday morning starting at the service road on the corner of North Road and Nepean Highway.

It’s a social ride of approx 25/30 and averaging between 28 & 32 kph. We finish with a coffee and a chat at Pod on Bay Street.

Let me know if you are keen.

Liam Buckley

ST JAMES RIDE TO SCHOOL DAY

TUESDAY 13 OCTOBER

For YEARS 1, 2 and 3

9-10.00am Year 3D
10-11.00am Year 3C
11.30-12.30am Year 1C
12.30-1.30pm Year 1N
2.30-3.30pm Year 2

On Tuesday, 13 October I have organised a Ride, Walk or Scoot to School day for the Grades 1, 2 and 3 classes. We will save on using fuels and polluting the environment if you choose to walk, ride your bike or scoot along to school.

The community police will be visiting the school to give a talk on road safety and carry out helmet checks. Parents are welcome to come along, see the timetable below.

The holidays are a good time to check over your bike or scooter and make sure everything is in good working order, especially with the lovely sunshine on it’s way!

Gwen Michener
Sustainability Teacher

ANOTHER SUCCESSFUL FATHER’S DAY BREAKFAST
Have a happy holiday everyone!

Once again... A big Thank You to all helpers this term.... It's been a busy one.
Recently... Sending gratitude to Yr 6 mums for organising Pizza day last Friday And Yr 2 and 5 for assisting with the morning tea for 2016 Prep families.

It was a relatively small turn out for the PA meeting last Thursday. Nothing like scaring people off with free wine and snacks and information re 2016 PA roles. Much thanks to people who have already committed to roles.... And for those considering taking on a position.

I won't be President next year as I have served 2 years... And Sharyn will be finishing up as Treasurer for the same reason. These are required roles to keep PA going forward. We will also need to find a crew for the February Family Disco and Main Event amongst a handful of other positions.

Each person brings their own style and level of commitment to a role. I think it would be a good idea to breakdown the president role into parts. For instance, each and any project taken on by the PA can have its own leader. For instance... I am happy to see the Garden project completed in 2016. If there were other projects undertaken... We would find the right person to research and advise on that particular idea. We could have a person who follows up any grants applications. The President then, would be overseeing that the events are delegated to various year levels and representatives and that the PA keeps on track with fundraising and calendar issues.

All roles will have ongoing support and feedback from myself and any other veterans of past PA positions. It is important that the conversations start and that people consider what skills and talents they can offer to the St James community. What we do now as caretakers of our school has significant impact for the future families. It is actually a really satisfying experience, and there is nothing better than seeing the smiling faces of our children having a wonderful and educational experience at St James.

Jane Gale
PA President

SAVE THE DATE
Thursday 5 November 2015
THE GREAT PROVIDER  From 12 MIDDAY

Sarah Bailey, Tria Lynch, Isabel Martin.

Living, Loving & Learning
There was a brilliant turnout for Thursday’s Experts on September 3. It was a packed room to hear Damien Hardwick, Gerard Healy and David King regale the crowd with their footy stories and insights. Thank you to everyone for your support and especially those who brought along family and friends. Once again, we greatly appreciate the generosity of the Longhurst family for their help with catering and the Rogers-Wilsons for their contribution to beverages. We raised $8,500 for the school.

And a huge thank you to the working crew of Marcus Doherty, Jarrod Harrington, Tony Nowell, Jane Gale, Mel Williams, Isabel Martin and Ange Hayden and all the dads who helped set up the room for Father’s Day Breakfast.

Many thanks

Eloise Hudson and Jo Small

As part of the preparation for their Black Belt in Taekwondo, Grace, Daniel, Louise and Josh put on a wonderful display of their talents at Assembly.

Congratulations to Grace, Lou and Josh, who achieved their Black Belts last weekend.

A fabulous achievement!
SPORT

ATHLETICS

Recently 19 children from Years 3-6 participated in the Beachside Athletics carnival. All 19 children competed well and many achieved Personal Bests (PB’s). Congratulations to Layla and Amelie who have progressed through to the Southern Metropolitan Region Athletics Carnival in October.

Good Luck girls, we are very proud of you both.

GOLF CLINICS

St James has been lucky enough to be offered free golf clinics for our Prep to yr 4 children. They participated in the clinics during their PE class. The children were exposed to the golf swing and the children were encouraged to hit various targets.

The coaches, Jemma and Corry from Brighton Golf Course were impressed with the skills of our children and were encouraging them to continue practising.

Included in this newsletter is information regarding holiday program activities. Keep swinging!
Program Update – Week 10  Week beginning 14/09/15

OSHCLUB WILL BE RUNNING ON FRIDAY AFTERNOON FROM SCHOOL FINISH AT 1:30PM. PLEASE ENSURE CHILDREN BRING A PACKED LUNCH.

Last week’s theme was SPORTS WEEK, as suggested by the children in our monthly catch up meeting. The children helped to plan a range of activities including soccer, downball and tennis. This week we will be doing some of our favourite activities to round off the term, including cooking, Jenga, and fruit salad!

A fortnight ago we had to say goodbye to another lovely OSHClub leader as Laura had to leave us to pursue further study. She will still be assisting in St James classrooms a little longer, and has promised to drop in to say hi!

Although St James does not have its own holiday program, OSHClub does run programs at Elsternwick Primary and Brighton Grammar, and children are welcome to attend! The full program of activities and excursions at these schools can be viewed online at www.oshclub.com.au. Steph and I will both be working at Elsternwick and would love to see you there. Please note: all holiday program bookings must be made online in advance – we cannot accept walk ins on the day.

Finally, I greatly appreciate the patience and help that I have received from staff, parents and students whilst coordinating this program over the past few weeks. I would like to thank you all for welcoming me so warmly into your school community.

Just a Few Reminders:

- For any bookings please log in to your account online at www.oshclub.com.au. Any issues with your online account please contact the St James account manager, Ambika, directly. You can email her at ambika@oshclub.com.au or phone her on 03 8564 9027.
- For any on the day bookings please call the program phone on 0412 570 934 and leave a message or send a text.
- If you child needs to attend a sports training while in our care, please come and have a chat with us beforehand as you will need to sign a “release and return” form

Have a great holiday!

Hilary

Three ingredient pancakes – an easy and tasty breakfast kids can help with on the holidays!

- Prep time: 5 mins
- Cook time: 12 mins
- Total time: 17 mins
- Serves: 4 pancakes
- Ingredients:
  - 1 ripe banana
  - 2 eggs
  - ½ tsp cinnamon

1. In a bowl, combine the banana, eggs and cinnamon.
2. Mix/mash until the mixture becomes smooth. You can use a fork or a potato masher.
3. Grease your pan with a little bit of oil or butter.
4. Heat your stove to a low to medium setting.
5. Pour ¾ of the batter in your pan and cook for about 1½ minutes on both sides.
6. Serve as is or garnish with anything you like (banana slices, cinnamon, honey...).

Enjoy!
St James Newsletter : 18 September 2015

Melbourne Zoo
Year 3 School Camp 2015

3D Wednesday 7th October - Thursday 8th October (Week 1 - Term 4)
3C Wednesday 14th October – Thursday 15th October (Week 2 - Term 4)

The Year 3 Zoo Camp will be held again at the Royal Melbourne Zoological Gardens, Elliott Avenue, Parkville, on the above dates. We will be leaving from school at 5:00pm sharp on Thursday afternoon and will return to school by 12:45pm on the Thursday.

Children will come to school as per usual on the Wednesday of their camp to take part in a Reconciliation Reflection Day. Parents will then have the option of picking their child up at 1:30pm on this day if they wish to allow time to go home and prepare for the camp. Please advise the teacher prior to the day if you do not plan to do this. Children will be expected to change into casual clothes and meet back at school by 4:45pm, no later please, for our 5:00pm departure. There will be no teacher supervision at school between 3:45-4:45 at school on this day.

RECONCILIATION REFLECTION HALF DAY

These are some ways to save water, energy and the Environment.

How to save water.
1. You can save water by when you have a shower and you wait for hot water put a bucket and then put the same water on the garden.
2. Remember the three Reduce, Recycle and Reuse.
3. You should stay in the shower or bath for at least 2 minutes.
4. Turn off the tap while you brush your teeth.

A 5 minute shower wastes. A five minute shower wastes up to 10 gallons of water.

By Indi G and Jasmine T, we are in Year 3C!!!!!! The Environment Leaders
CREATING RESILIENT FAMILIES

FRIENDSHIP SKILLS MOST IMPORTANT

The ability to get along with others and to work as a team member may be more important in determining success than intelligence, school marks or level of schooling.

Best Friends
My dog.
My little sister.
The Refugees...
later...
The girl at line-dancing.

He's not house trained yet.

How Parents Can Help Children Develop Friendship Skills

Children who don’t seem to be able to make friends often rely on their parents for social comfort and as a result they may develop “adult interests” that may alienate them from their peers. It is quite a dilemma for the parents of these young people, because spending more time comforting a child may make them even more reliant upon a parent but if they’re not taken out, they moan around the house looking miserable.

Locally, involving children and teenagers in some form of club or sport is helpful, as is ensuring that they have a broad range of social contacts. This is especially useful if children are encouraged to participate in a wide variety of social groups while they are still at primary school. This will help to protect them against bullying and loneliness if they lose some friends during their early teen years.

SHOW THEM HOW

Mrs. Lim of Hope Valley spoke of her revelation. “I know that it was expected that parents would become their children’s tail drivers. I never had one of those car sitters. Warning – Bored Parent On Board”. I was so worried that my child wouldn’t make good friends and I spent so much time running them here and there, that I forgot to show them that I can make friends too. They hadn’t seen me go out in years and the reason was simple – I hadn’t been out for years. So I invited my daughter to go out with me. She was so shocked she agreed. She wanted to know where I said it’s a surprise. I took her to a play I loved it. She hated it and told me how cringy my social interests were. “Get a life” was her basic sentiment, so I did.

Occasionally I still invite my teenagers along but I figure if they never see me have fun, how are they going to learn to do so themselves?

FRIENDSHIPS CONTRIBUTE TO RESILIENCE

In a survey of young people, getting along with peers was rated as an essential factor in young people’s wellbeing. Research tells us that having at least one positive friend with meaning in their lives, having a broad sphere of social contacts belonging to a group who do not equate risk taking and delinquency with identity, and having friends who have a positive outlook on life and involve themselves in a range of activities are powerful protective factors for young people.

Loss of Friends

Girls often become more upset over disputes with friends, while boys may be more likely to angrily accuse the person they are arguing with. For both, however, the loss of relationships can be quite devastating.

CHECKLIST

- Do your children get to see you doing social activities with your friends?
- Do your children get to see you make up with friends if there has been a difference of point of view?
- Do your children see you mix with other adults who do not know well?

CREATING RESILIENT FAMILIES

03 BULLYING

BULLYING - WHAT WE KNOW

- One in five school students is affected by bullying.
- Bullying includes name-calling, teasing, comments about physical appearance or sexuality, and being left out of activities on purpose. Bullying also includes hitting, punching and kicking.
- Bullying often occurs when adults are not around and it can develop without parents or teachers being aware of it.
- Bullying is too damaging to allow it to continue.
- The victims of bullies can feel isolated and depressed. They have low self-esteem and have more absences from school.
- Children who bully are generally trying out the power tactics they see around them. They are not necessarily from troubled families.
- Children who bully need help to change their behaviour.
- Effectively stopping bullying requires parents and the school to work together.
- Just telling a child to ignore it rarely works.
- Telling a child to hit back worsens the problem.
- Parents should not try to intervene with bullies or their parents. That is the school’s job.

PROTECTING YOUR CHILD AGAINST BULLYING

What should I do if my child is bullied at school?

- Contact a teacher that you trust at the school and set up a joint record keeping system in which you keep a note of any bullying incidents that your child reports.
- Let the teacher know what you need to know about bullying.
- Meet or communicate as and when you need support.
- Follow up with the school to ensure that they are aware of any bullying incidents.
- Protect your child.
- Keep good records of bullying incidents and keep in touch with the school.
- Ask your child to keep a record of incidents and a list of friends that they have made.
- Do not let your child know who to report the bullying to.
- If your child is a bystander, ask the school to take steps to make it clear that bullying is not acceptable.
- If the problem continues, consider changing the school.

Warning Signs

The signs that a child is being bullied include:
- Increased sensitivity to school issues.
- Increased anger and aggression at home.
- More days off due to illness.
- More phone calls from other children that end abruptly.
- More withdrawn behaviour.

There is no process that will help a bully to change, but there are many things you can do to make it less likely that your child will suffer from bullying.

Interact with your child one-on-one.

Tell your child how to handle the incident or actions.

Contact the school to discuss these issues on www.andrewfuller.com.au

HOT SHOTS INFO FOR ST JAMES

MLC Tennis Hot Shots is an exciting tennis program for kids aged 10 and under. Using smaller courts, racquets and low compression balls the program makes tennis easy for new players.

Children will:
- Have lots of fun and stay healthy

ST JAMES TENNIS CLUB ADULT TENNIS OPTIONS

Adult Tennis Coaching morning and night classes offered.

Morey tennis invites all members and non members to come and join our weekly tennis lessons at St. James Tennis Club. We offer both ‘Cardio Tennis’ as well as ‘Learn and Play’ classes for players of all levels.

These sessions will help you improve some or all of the following areas of your game:
- Hit the ball with more power and less effort
- Become more consistent on your ground strokes and serve
- Understand double tactics better
- Improve your fitness levels whilst having fun at the same time
- All levels of players welcome

‘Learn and Play’ sessions are held on Wednesday nights at 7pm and also Friday mornings at 9am and classes run for 1 hr.

‘Cardio Classes’ run on Tuesday mornings from 7 -9am and also Wednesday 9 - 10am and offers a great fitness alternative and great workout.

First lesson is free for all NEW players.

Where: St James Tennis Club  

Bookings: email moreytennis@gmail.com or mobile 0417 508 400.
