Physical Education Year Prep-2 Term 4 2015

Physical Education classes in Term 4 for the students in years Prep-2 will be the following sports:

**Prep**

**Week 1-4 - Cricket:** The children will develop the skills that are fundamental to the game of Cricket such as: Underarm and overarm throwing and catching, batting and fielding, bowling, running between the wickets and defending the wickets.

**Week- 5-7-Minkey:** The children will continue to develop the skills for Minkey through various activities and games. They will develop and explore different ways of moving with the stick and ball. They will participate in the games and work with a partner and learn how to control the ball.

**Week-8-11-T-Ball:** The children will be introduced to batting off a tee, running bases, fielding, throwing and catching. They will develop the necessary skills to retrieve a ground and fly ball. They will be introduced to Mini T-Ball games, rules and procedures.

**Year 1 - Year 2**

**Week 1-4 –Cricket:** The children will further develop their Cricket skills focusing on underarm/overarm throwing & catching, batting-(forward defence), bowling, running between the wickets, wicket keeping and fielding.

**Week 5-7-Minkey:** The children will continue to extend and develop their Minkey skills. This program includes various activities such as: Dribbling, passing and goal shooting.

**Week 8-11- T-Ball:** The children will further develop their skills for T-Ball which include striking the ball off the tee, throwing and catching-high and low balls, fielding and running bases.
