MARY POPPINS JR

Director and Choreographer – Louise Allen.

Welcome to the 2019 School Production, Mary Poppins. The staff and students together with our Performing Arts teacher Louise Allen, have been rehearsing since the beginning of the school year.

The Arts are considered to be the window to the soul. The joy, excitement and creativity comes alive this evening. This show is more than just a spoonful of sugar. This show is a testament to many hours of preparation from both, staff, students and parents.

Sit back and watch our children bring to life the musical fantasy stage show directed by Louise Allen and performed at the FAYBYRNE Centre, Star of the Sea College, Brighton.

Synopsis

Join the Banks family as their lives are changed forever when Mary Poppins becomes their nanny.

The jack-of-all trades, Bert, introduces us to England in 1910 and the troubled Banks family. Young Jane and Michael have sent many a nanny packing before Mary Poppins arrives on their doorstep.

Using a combination of magic and common sense, she must teach the family members how to value each other again. Mary Poppins takes the children on many magical and memorable adventures, but Jane and Michael aren't the only ones upon whom she has a profound effect. Even grown-ups can learn a lesson or two from the nanny who advises that
"Anything can happen if you let it....."
